

INGRID MARSHALL

ARCHITECT, DEICKE RICHARDS

Academic Qualifications

B Sp Thy (Hons), B Arch (Hons)

Experience Overview

Ingrid is an Associate Director of the practice and a senior architect with 15 years experience. She has developed a close understanding of client requirements in the rapidly evolving retirement and aged care sector and, in particular, how to create architectural outcomes that respond to specific operational and care models. Ingrid has also been a key design team member for the practice's work in education. She was project architect for an innovative, independent school for Indigenous students and contributed to a series of projects for the heritage listed Rockhampton Girls Grammar School. Prior to joining Deicke Richards, she was project architect for the design of a performing arts complex for Marist Brothers, Ashgrove, and a new Junior School and Senior School at Ipswich Girls Grammar School. Ingrid is skilled and assured in managing consultants and design and documentation teams.
